

Surviving Motherhood Collaborative

An undated calendar you can use year after year.

Welcome, Beautiful Friend — this calendar is more than a place to write down dates. It's a keepsake tool to help you pause, reflect, and make space for what matters most. **Choose Your Year**

Write the year at the top of each monthly page. This calendar is flexible — use it in 2025, 2026, or whenever you're ready.

Fill in the Days

Add the numbers for each month. This practice itself reminds us: we number our days so that we may gain a heart of wisdom (Psalm 90:12).

Make It Yours

Daily appointments or reminders
Family schedules and milestones
Prayers, affirmations, or blessings
Creative ideas and "to-dos"

Reflect & Reset

At the end of each month, use the Reflections & Reminders page to look back with gratitude and set gentle intentions for the month ahead.

This calendar comes from the heart of the Surviving Motherhood Collaborative — a reminder that you are not alone in this journey. May it bless your days and help you hold onto the moments that matter most.
